German Language and Culture

MOSAİK

German Language and Culture

©2021 • Hardcover • 4-5 chapters in each level

Keep it real

Engage students with life lived right now—connect their own experiences with authentic, contemporary German-language culture.

Give students context

Affirm your students' past experiences and personal motivations—make it about the topic they are most interested in: themselves.

Invite students to their future

Give your students the tools and motivation to envision and express their future as fluent speakers of German.

This multi-level German program presents vocabulary and grammar as tools for effective communication, while emphasizing contemporary culture as integral to successful language acquisition. **Mosaik** enhances language learning for today's student through powerful technology, video integrated into core lesson content, and an innovative, user-friendly design that supports students and teachers.

Why choose Mosaik?

Incorporates students' own experiences and voice into the learning:

- Reflect on their own life, experiences, and language in each context
- Personalize the language and cultural contexts of their study
- Apply language to their lives now and as they enter the adult world

Integrates authentic, contemporary language and culture:

- Authentic media (video, audio, print) within meaningful instructional design
- Real-life application through personalization and creativity
- Focus on the unity and diversity of the German-speaking world

Learning is just a click away

Discover the Supersite—the only online learning environment created *specifically* for world language acquisition.

For students

Plenty of Practice

Learning a new language takes practice. With the Supersite, students have hundreds of program-specific, thematically based, and carefully scaffolded practice activities right at their fingertips.

Safe Environment

Language learning can be intimidating for many students. With its uncluttered interface, innovative tools, and seamless textbook technology integration, the Supersite will help you reach students and build their love of language in a safe digital space.

Engaging Media

Episodic storyline videos, authentic short films, synchronous video chat activities, audio-sync readings, and audio by native speakers...the Supersite has it all.

➔ **500,000+**

“Everything about the VHL’s online learning environment is tremendously engaging and appealing to the students.”

Richard McMullan
Groves High School

For teachers

Time-Saving Tools

No need to spend your time hunting down authentic materials...finding the perfect video...crafting scaffolded activities...creating assessments...or grading homework. We’ve done the heavy lifting for you. The Supersite provides everything you need to plan, prepare, teach, and assess.

Powerful Course Management

Choose what you use and how you use it. With the Supersite, you can easily shape our curriculum to fit your instructional goals and teaching preferences. Plus, you can monitor student progress, communicate securely with individual students or the entire class, and track and report on student effort and outcomes.

Enhanced Support

Get all the guidance you need to use the Supersite to its fullest potential—from face-to-face presentations and on-demand training webinars on a variety of topics.

For students

Communication Tools

The Supersite provides a safe social space for students to develop their interpersonal communication skills.

- **Virtual Chat** activities provide students with opportunities to develop their listening and speaking skills and to build confidence as they practice with recordings of native speakers.
- **Partner Chat** activities allow students to carry out synchronous conversations in pairs via video/audio.
- **Forums** are online discussion boards where students can post text or audio information and respond to their classmates' posts. They are a great tool for providing your students with opportunities to engage asynchronously.

NEW! Interactive Grammar Tutorials

Research shows that a little humor engages students, stimulates the brain, and helps with memory retention. Interactive Grammar Tutorials, featuring the Professor, entertain and inform students by pairing grammar rules with fun explanations and examples.

Vocabulary Tools

Students can take control of their language learning by working with personalized vocabulary lists for each lesson. Interactive flashcards featuring target language words with audio and the English translation are available for fast and effective review and practice.

For teachers

Customized Content

Tailor your online course fit your needs. Create open-ended video Partner Chat activities, add video or outside resources, and modify existing content with personalized notes.

Assessment Solutions

Administer pre-built online quizzes and tests or develop your own—such as open-ended writing prompts or chat activities. You can also add your own text reference, image reference, or word bank to a section of a test.

Grading Tools

Convenient options for grading include spot-checking, student-by-student, and question-by-question approaches. Plus, in-line editing tools provide additional opportunities for targeted feedback.

Easy Course Management

A powerful setup wizard lets you customize your course settings, copy previous courses to save time, and create your all-in-one gradebook.

Other Mosaik Supersite features:

- Online Teacher's Edition with links to all media and teaching resources
- NEW! Expanded online testing program
- Auto-grading for many activities
- Teacher Dashboard with easy access to all student/class data
